Twenty-seven percent of our student population is non-white with approximately 11% being of Hispanic or Latino origin, 5% being Black or African-American and 4% of Asian ancestry. The remaining students report as multi-racial, Native American or Pacific Islander. Just over 1% prefer not to disclose their ethnic background. Our students come to us from more than 100 primary schools in 90 different zip codes across the Denver Metro area.

ADMISSIONS

Candidates take an entrance exam, complete the application for admission and provide the school with recommendations and transcripts. Candidates may also accompany a current freshman through his/her classes and experience life at Regis Jesuit through our Shadow Program. All applicants may take part in a personal interview with a member of the Regis Jesuit faculty, though this is not required.

TUITION & FEES

Tuition for the 2018-19 academic year is \$16,875. Incoming students paid a \$400 registration fee, which was credited toward tuition.

FINANCIAL AID PROGRAM

Regis Jesuit is awarding \$4.25 million in financial aid to nearly 25% of the student body for the 2018-19 school year. The average aid grant is more than \$10,000 or approximately 60% of the cost of tuition.

PASTORAL & SERVICE PROGRAMS

The Pastoral Program uses a multi-faceted approach to foster spiritual and moral growth in Regis Jesuit students that includes regular Masses and other liturgies, reconciliation, days of recollection, a yearly retreat, theological study, participation in service, prayer and the completion of a Capstone Project senior year. Participation in the Service and Retreat programs is required of all students in all four years.

ATHLETICS

We view our athletic program as part of our Ignatian approach to education—one that encourages our students to excel in all aspects of their lives and is focused on formation of the whole person. The field, court, pitch, pool and mat are all extensions of the classroom—critical thinking skills learned in class are leveraged in making game time decisions. Being part of a team fosters relationships beyond the academic realm.

Regis Jesuit aims to form a community of individuals who embody the school's mission and values by being Open to Growth, Intellectually Competent, Religious, Loving and Committed to Doing Justice.

OPEN TO GROWTH

Regis Jesuit graduates have the maturity to take responsibility for their own actions and growth. Graduates know that learning is a life-long process of intellectual, spiritual, and personal development. Graduates understand that having experiences outside of their worldview is important to their development.

INTELLECTUALLY COMPETENT

Regis Jesuit graduates master those academic requirements necessary for advancing their formal education and skillfully using the fundamental tools of learning. Moreover, graduates realize the need to practice intellectual integrity.

RELIGIOUS

Regis Jesuit graduates, through study of the Roman Catholic faith, will come to know and experience God as one who understands and loves them completely and is there for them through their suffering and joy. Graduates have a deep understanding of and respect for their own religious traditions and those of others. They also have a strong foundation in personal prayer, spirituality, moral conscience and religious conviction. They seek to know God by proclaiming and responding to His love through the scriptures and especially through Jesus Christ in the Gospels and the Holy Spirit in prayer and in daily life.

LOVING

Regis Jesuit graduates move beyond self-interest and self-centeredness. They are confident and seek deeper levels of relationships in which one can disclose feelings, accept the mystery of another person, and cherish that person. They experience God's love and respond by loving self, family, friends, members of the school community, the poor and the suffering as people of God. They understand that love gives witness to faith and speaks out through action and service on behalf of a world community for justice, love and peace.

COMMITTED TO DOING JUSTICE

Regis Jesuit graduates acquire the awareness, skills and motivation necessary to live as *Men and Women with and for Others* who are leaders through service in imitation of Christ Jesus. Graduates are committed to justice that is grounded in the knowledge of the roots of injustice in social institutions, attitudes and customs and understand the values of a consumer society can be in conflict with the demands of a just society and the Gospel. They express their empathy for others and a commitment to doing justice by voluntarily engaging in service.
